I certify that I, the undersigned applicant, have personally completed this application. I understand that any omission or misstatement of material fact on this application, or on any document used to secure employment, shall be grounds for rejection of this application or for immediate discharge if I am employed, regardless of the time elapsed before discovery.

_____ Initials

I hereby agree to submit to binding arbitration all disputes and claims arising out of the submission of this application. I further agree, if I am hired by Positive Purpose, that all disputes that cannot be resolved by informal internal resolution which might arise out of my employment with Positive Purpose, whether during or after employment, will be submitted to binding arbitration. I agree that such arbitration shall be conducted under the rules of the American Arbitration Association. This application contains the entire agreement between the parties regarding dispute resolution, either oral or written.

_____ Initials

I understand that nothing contained in this application or conveyed during any interview which may be granted or during my employment if hired, is intended to create an employment contract between me and Positive Purpose. In addition, I understand and agree that Positive Purpose is an "At-Will" employer, and that if I am employed, my employment is for no definite or determinable period and may be terminated at any time, with or without prior notice, at the option of either myself or Positive Purpose, that no promises or representations contrary to the foregoing are binding on the company unless made in writing and signed by me and Positive Purpose' designated

_____ Initials

I understand that if hired any change in my hours of availability and restrictions, as stated on the first page of this application during the 180 day introductory period of employment with Positive Purpose, not previously authorized in writing by the Executive Director of Positive Purpose, will be considered grounds for termination based upon a significant change in the information on your employment application used to determine your suitability for employment with Positive Purpose.

_____ Initials

Due to the nature of the work we do at Positive Purpose, our Program Design requires that we perform a pre-employment Drug Screening and Discretionary Background Check on all prospective employees. The Drug screening will be completed by a local lab, and will test for the following substances: amphetamines, methamphetamines, THC (marijuana), opiates, cocaine, phencyclidine, propoxyphene, barbiturates, benzodiazepines, and methadone. A positive response in any one of these substances will make you ineligible for employment with Positive Purpose. The discretionary Background Check may include personal record checks at the county, state and federal levels. Discrepancies between these records and those declared in this application will make you ineligible for employment with Positive Purpose. Convictions will not necessarily disqualify an applicant for employment.
